Reaseheath College's Group Financial Summary for 2013/14

£28.3m - £28.1m = £0.2m

(Total income) - (Total expenditure) = (Operating surplus)

Why does the College make an operating surplus?

- To ensure that the College remain financially sustainable in the long term and protect the College against unforeseen events which could damage the financial health in the short term
- To ensure the College has sufficient resources to be able to improve, invest and replace its physical equipment to deliver the best learning experience for students
- To allow investment in additional facilities and services for students
