

## COMPLIMENTS AND COMPLAINTS PROCEDURE AND PROCESS FURTHER EDUCATION AND APPRENTICESHIPS

### Introduction

Reaseheath College and University Centre welcomes the views from all our learners, stakeholders and all those who use our services. We encourage suggestions, compliments and complaints.

We aim to respond to all complaints in a timely and courteous manner as part of our PRIDE values and in relation to providing the highest standards of teaching, learning, assessment and customer service.

Reaseheath College is committed to taking all complaints seriously by:

- Encouraging a culture of openness
- Making the process as straightforward as possible
- Carrying out a fair and thorough investigation
- Keeping the complainant informed throughout
- Using the information to improve our services and provide staff training if required

### Scope

The Procedure and Process applies to FE students and Apprentices, and all stakeholders. Complaints in relation to University Centre Reaseheath (UCR) are directed to the HE Student Complaints Policy, which can be found on the UCR website at

<https://ucreaseheath.ac.uk/about/policies/>

### Compliments

All compliments, where possible, will be acknowledged and the customer thanked for their feedback. Compliments should be shared with the member(s) of staff and their Line Managers. Sometimes, the College will use compliments during publications and the customer will be advised how their compliment and feedback will be used.

### Complaints

Reaseheath College takes all complaints seriously and there is a staged approach through which we aim to resolve any concerns as quickly as possible.

All compliments and complaints are centrally recorded and monitored and reported through the management reporting system and to the Board of Governors Quality and Standards Committee on a termly basis to review process and outcomes.

**Stage 1 - Informal**

Rather than let an issue of concern or an area of dissatisfaction become a complaint, we hope that you will try to resolve your issue by:

**1. Talking to the person involved?**

If you feel the person is approachable, why not approach her/him directly and explain your concern?

**2. Talking to your Personal Tutor?**

They may be able to assist you with either personal or course problems and will also refer you to specialist support if necessary.

**3. Talking to a Student Adviser?**

Student Services have staff who offer service to all students.

**4. Talking to your Curriculum Area Manager (CAM) or Assessor (for apprentices)****5. Talking to your Student Representative?**

The Learner Voice, 'See IT SAY It' is another way you can make a suggestion, compliment or complaint about our service. It is a good way to get your view heard.

**Stage 2 - Formal**

The College appreciates that there may be occasions where the above process is inappropriate and that a more formal approach is necessary. Please note that formal complaints should be made in writing. *The flow chart outlines the key stages through which a complaint is processed.*

Where it has not been possible to resolve matters to your satisfaction under Stage 1 you should contact the Quality and Standards Manager. This can be performed in a number of ways:

- By letter or email to Wendy Watson, Quality and Standards Manager
- See It SAY It

Contact details are as follows:

Reaseheath are committed to equal opportunities and our aim is to make our procedures easy to use and accessible. We will make reasonable adjustments to enable access to this procedure.

If you write to us, please outline your concerns as clearly and in as much detail as you can. Please include your name and address, dates locations and witnesses (if appropriate). You should outline any previous unsuccessful attempts at resolution and what reasonable steps should be taken to resolve the complaint.

The Quality and Standards Manager will instruct the appropriate manager in the College to conduct an investigation. The Quality and Standards Manager will monitor and review the process.

Your complaint will be acknowledged within 5 working days of receipt by the Quality department.

An investigating officer will be appointed who will conduct a thorough investigation. The Quality and Standards Manager will notify the complainant in writing of the outcome of the investigation within 10 working days of receipt of our acknowledgement response. If there is a delay, due to the complex nature of a complaint, the complainant will be advised and kept informed of progress.

### **Stage 3 – Appeals Procedure**

If you are dissatisfied with the response to your formal complaint (Stage 2), you have the right to escalate your complaint to the appeals procedure. You should outline in writing, the reasons for your dissatisfaction and send to the Quality and Standards Manager, who will designate a Senior Manager to investigate. You will receive a response within 5 working days and we will tell you how we plan to investigate and when you might expect a detailed response, which will usually be within 15 working days of receipt of our acknowledgement response. If there is a delay, due to the complex nature of a complaint, the complainant will be advised and kept informed of progress.

The Senior Manager will review the nature of the complaint, analyse the investigating officer's findings and report the outcome of the appeal to the Quality and Standards Manager. On completion of the appeal and review, the Senior Manager will choose one of the following three options based on the evidence:

1. Uphold the original decision
2. Change the outcome based on the evidence presented
3. Continue and extend the investigation

At the end of the investigation, the senior manager will make a final decision. The complainant will be informed in writing of the outcome. The decision of the Senior Manager is final.

If you believe this decision is unreasonable or the College has not followed its procedures, you may refer the matter to the Education and Skills Funding Agency at the address below:

Cheylesmore House, Quinton Road, Coventry CV1 2WT.
