### REASEHEATH COLLEGE MISSION

**“Industry focused, career ready”**

### REASEHEATH COLLEGE VALUES

Every member of staff at the College has a responsibility for and commitment to the implementation of the College Vision so that the learner experience is a valuable and memorable one.

As an important part of our team you are also required to ensure that your behaviour towards both staff and learners demonstrates P R I D E in everything you do through actively supporting our Values:

**P** eople      **R** esponsibility      **I** ntegrity      **D** iversity      **E** xcellence

### Key Tasks and Responsibilities of your Job Role

- Deliver outstanding teaching of a wide range of land and environment subjects including agriculture, estate maintenance, landscaping, production horticulture as well as agriculture and horticulture related machinery operations, farm livestock production, agricultural business and sustainability, machinery and data technologies, crop husbandry and plant and soil science (Depending on specialism).
- Assess both theory and practical competence and related knowledge using a variety of assessment methods to comply with awarding body requirement and which maximises learner potential.
- Complete relevant and timely reports on student progress to maximise achievement
- Support the Academy of Land and Environment department as required to ensure a quality customer experience.
- Undertake course management responsibilities including parent and guardian, and where required external agency communication. Course Management also includes completing individual tutorials target setting, and providing pastoral care, safeguarding and wellbeing support to students.

- Engage and respond positively with employers and stakeholders to enhance departmental reputation and student recruitment and employment.
- Update and engage by using MS Teams and other VLE's as required.
- Where required support the department with community based projects, trial work, full cost and adult provision to enhance academy reputation and income streams.
- Participate fully in internal, cross college and personal professional development and following appraisal uses guidance and support to develop teaching practice.
- Actively involved in curriculum development including attendance and participation in team meetings.
- Set and monitor accurate targets for students to promote high expectation and achievement.
- Undertake continual professional development to ensure up to date technical knowledge and expertise to maximise effective knowledge transfer to colleagues and learners
- Use college systems and input information on Promonitor regularly including student tracking, achievement data and target setting.
- Maintain work areas, tools and equipment and surrounding environments in a good safe condition in order to ensure the highest standards of professionalism, safety, cleanliness and hygiene.
- Ensure the College's safety standards, policies and specific protocols are always implemented including risk assessments.
- Responsible for developing and maintaining curriculum including (but not limited to) writing relevant documentation including schemes of work and participating in internal and external quality assurance audits and processes.
- Work collaboratively with the Quality department, internal and external verifiers and awarding bodies to ensure programme compliance
- Keep accurate records including registers, assessments, tracking, and target setting using pro suite of software or other relevant method required, in order to meet legislative requirements.
- Contribute effectively to improvement of departmental and college KPIs.
- Assist with cross college activities as appropriate by supporting student recruitment, enrolment and open days as required to enhance the reputation of the Academy and the College. Promote progression of students to a higher level of study through the provision of accurate information and guidance
- Contribute to the marketing and promotion of academic programmes and commercial activities by representing the College at internal and external events as required to increase student numbers and enhance the reputation of the College. This may include evening and weekend work.
- Meet the needs of academic teaching programmes and our Stakeholders to provide an outstanding educational and customer experience
- Contribute to a high performing Academy through effective teamwork and communication which ensures accountability and clarity of objectives, which utilises and develops the skills, knowledge and competencies of all staff members.

- Attend all mandatory training events to understand and apply policies and procedures relating to Health and Safety, Finance, Safeguarding and Equality and Diversity matters.
- Utilise learning resources and opportunities fully and effectively to maximise the learner experience and employability.
- Optimise the use of the Academy of Land and Environment through knowledge transfer both internally and externally
- Assist the Curriculum Manager to ensure the Academy is managed within budgeted limits and in accordance with the College's financial regulations and procedures.
- Ensure that best value for money is achieved for the department and seeks opportunity to innovate and maximise utilisation of resources to ensure cost effective and quality delivery to our customers.
- Work with Academy Curriculum Area Manager, Programme Leader, Programme Administrator and the Applications team to support full cost recruitment and income generation.

#### **PLEASE NOTE**

Reaseheath is an education establishment within an ever changing service and all staff are expected to participate constructively in College activities and to adopt a flexible approach to their work.

Your job description will be reviewed during your annual Performance Development and Review interview, and will be varied in the light of the changing business needs of the College.

The job description is not intended to be exhaustive and is only indicative of the nature and level of the responsibilities associated with the post at the date it was drawn up. Your duties may vary from time to time without changing the general character of the post or the level of responsibility. Such variations are a common occurrence and cannot of themselves justify a reconsideration of the terms and conditions of employment associated with the post.

Please note this role constitutes 'regulated activity' as defined by the Protection of Freedom Act 2012. The successful candidate will therefore be required to undertake an enhanced DBS with barred list information prior to starting employment.
