There are various ways in which the college recovers funds, however, as you are a resident in a devolved combined authority, the college is unable to secure funds from central government. Therefore, you will need to secure funding from one of the options below, prior to starting your course in September as part of our offer conditions:

OPTION 1

You should contact the appropriate devolved combined authority area to secure funding for your study at Reaseheath College prior to starting the course. We have provided you with the information you need to contact your devolved combined authority - click on the relevant weblink listed above.

Please note, funding secured will need to be confirmed by letter/email from the devolved combined authority prior to enrolment on the course. This should be sent to: Reaseheath College, Student Finance, Nantwich, Cheshire CW5 6DF or scan a copy to studentfinance@reaseheath.ac.uk

OPTION 2

You should contact Student Finance at Reaseheath College on 01270 613205 or email studentfinance@reaseheath.ac.uk to request a Learning and Funding Information letter and/or to confirm if a course is eligible for an Advanced Learner Loan. Once confirmed you should secure funding through an Advanced Learner Loan by applying to <https://www.gov.uk/advanced-learner-loan/how-to-apply>

Please note, this option can only apply if you wish to study a Level 3 programme and the course is eligible for an Advanced Learner Loan.

OPTION 3

Secure funding through your own means. Please contact Student Finance on 01270 613205 or email studentfinance@reaseheath.ac.uk to discuss tuition fees and arrange a payment plan.
