

INDUSTRY FOCUSED
CAREER READY

REASEHEATH COLLEGE CAREERS PROGRAMME

**Providing students with the
skills, knowledge, experience
and confidence to excel in
their future careers**

At Reaseheath College we are committed to ensuring our students are Industry Focused and Career Ready, by providing them with the skills, knowledge, experience, and confidence to excel in their future careers.

We encourage our students to have high aspirations and BeMore, whilst ensuring they have a strong understanding of the local and national labour markets. All students have access to an impartial careers adviser on campus and careers education is embedded within the curriculum and BeReady programmes.

To ensure we provide the best careers support for our students we follow the Gatsby Careers Benchmark and map our provision against the Careers Development Institute's new Career Development Framework. The holistic framework from the Gatsby Benchmarks is mapped closely into our curriculum and careers programme.

The Gatsby Benchmarks, which are used nationally, are:

- 1. A stable careers programme**
- 2. Learning from career and labour market information**
- 3. Addressing the needs of each student**
- 4. Linking the curriculum learning to careers**
- 5. Encounters with employers and employees**
- 6. Experiences of workplaces**
- 7. Encounters with further and higher education**
- 8. Personal guidance**

The Career Development Institute's Framework

The six learning areas

We are dedicated to ensuring our students gain the skills they need for a positive career, which is why our career development programmes at Reaseheath College meet the six key areas set out by the Career Development Institute's Framework. The six learning areas are:
